

AUSTRALASIAN TEAM ROPING ASSOCIATION

CORPORATE PARTNERSHIP

Program 2026

Roping in families since 2006!

THE HISTORY OF ROPING IN AUSTRALIA

Roping started in Australia with the introduction of cattle farming during early settlement. This method was used for branding of stock and animal husbandry.

Over the years this skill has been passed down through farming families and this has now grown to encompass many people from different walks of life.

THE AUSTRALASIAN TEAM ROPING ASSOCIATION (ATRA)

Established in 2006, the Australasian Team Roping Association (ATRA) is Asia Pacific's Premier Team Roping Organisation and the governing body of the most prestigious team roping events across the Asia Pacific.

As ATRA is a not-for-profit member based association, all profits go back into development of the sport of Team Roping in Australia.

ATRA also promotes and embraces diversity within our sport ranging from tiny tots to adults. As such, our competitors have the opportunity for equality in competition across all of our events.

From the Elite Team Roping to Breakaway Roping, Barrel Racing, Steer Wrestling and

Rope and Tie, our sports are also some of the fastest growing horse sports in Australia.

In 2025, ATRA Promoters held over 120 events & clinics across Australia - with the 2025 ATRA Circle L Australia National Finals at the Affinity Equine Insurance Arena in Capella paying out nearly \$260,000 in prize money and drawing over 2,200 entries.

This was all supported by our continually increasing social media hoof-print of nearly 8,000 engaged followers and our ongoing engagement with the wider rodeo performance horse community through our ATRA Promoters.

Roping in families since 2006!

CORPORATE PARTNERS – RETURNS ON INVESTMENT

ATRA is run by a dedicated and professionally experienced team of respected industry people with a wealth of experience in all fields, including direct campaign marketing and communications.

ATRA partners with the business community in the form of mutually beneficial partnership opportunities - and we ensure that the benefits don't just flow one-way from your generosity.

We implement strategies to provide your business/products with exposure into a key target market to help you build brand awareness, grow your customer base and increase your sales.

Depending on which Opportunity you select, ATRA will promote your business and products in the lead up to and during the 2026 ATRA National Finals held in Capella between 30 September and 4 October 2026, in our 10,000+ viewers Live-stream of the event, on our continually increasing social media hoof-print of nearly 8,000 engaged followers and during our ongoing engagement with the wider rodeo performance horse community through our ATRA Promoter events across Australia.

This will be done to provide our Corporate Partners with a clear list of returns on investment (ROIs), through a variety of target methods that are listed under each of the following Opportunities.
